The Contest

High School Team, of up to 5 students, will have 2 weeks to complete a design given by MHSeA. Teams will compete by creating their build in Minecraft EDU, along with a presentation explaining and showing their work.

The winning build will be chosen by a panel of Judges. The winning team will be named MHSeA Provincial Minecraft Build Challenge Champions 2021-2022.

Build Topic

Will be provided on the 1st day of competition. It can be anything!

Who Can Enter

This competition is intended for High School Teams that reside in Manitoba, Canada.

Each School can host two teams of five.

Note: A school may field a third team IF that team is composed entirely of female* players. *MHSeA defines female to include all girl-identified youth and youth who are non-binary, trans-gender, or otherwise gender-diverse.

How To Take Part

Email minecraft@mhsea.ca with School name, name of team, and the names of students involved (first, last and grade).

Note: The team's name will need to be associated with your school's mascot and/or colour(s). Example: Glenlawn is home to the Lions and their school colours are red and white. The name for the team representing Glenlawn can be: Glenlawn Lions, Glenlawn Red, or Glenlawn White.

Important Dates

- Registration Deadline: Tuesday February 22nd, 2022
- Build Start: Friday February 25th, 2022
- Submission Deadline: March 11th, 2022 @ 4:30pm

Include in Final Submission

- Minecraft world File (NAME_WORLD.mcworld)
- Link to video report illustrating the project submission, uploaded to youtube.ca (does not need to public).

Cost

The cost per \$25.00 per team.

Note: MHSeA reserves the right to keep the registration fees if a team does not submit their final Submission.

Minecraft Version and MODs

The MHSeA will be using an un modded version of Microsoft EDU. This means that all worlds should be .mcworld files. Any files that cannot be opened will be contacted, if a file that can't be opened by our Judges is submitted, that team may be disqualified.

Final provisions

The parents of the children taking part in the competition are required to accept the terms and conditions and authorize the organizers to use the data connected to the winning entry/project (e.g. publishing the names of those who took part in the project). The data will not be disclosed to third parties and will be used exclusively for the purposes of the competition and for communications regarding the initiative, by means of its web and social media channels.

The worlds created may be used by MHSeA for promotional purposes and during educational activities.
